38, 39/2, 40/7 & S. No. 40/3, 40/8 at Vijay Park,
Kasarvadavali, Ghodbunder Road, Thane (W).
V.P. No. 93/163

This is to certify that I have inspected above referred school
building, consisting of part basement, part stilt, part ground and one
floor.

In my opinion structural condition of building is strong and sound
to use as school building. With properly yearly maintenance I am of the
opinion that the building has life of about twenty years from the date of
this certification.
